# WHO ARE WE?

Rancho Cordova PAL is a 501(c)(3) nonprofit organization that builds relationships between RCPD and youth through a variety of programs, at no cost to the kids. Each year, the program serves more than 3,500 youth in our community.

Youth learn vital skills such as teamwork and sportsmanship, create lasting friendships with each other, build trust with officers, give back to the community, and have fun! PAL youth have gone on to do great things from becoming a police officer to achieving success in education and sports

# WE ARE PAL!

PAL has done many things for the community, for the children and even me. Some of the many things PAL has done is given me opportunities to interact and to have fun interacting with my community. PAL has also given me the opportunity to excel in outreach and my speech skills. PAL has helped me interact with my community through all of its fun events, such as Junior Giants where children have the opportunity to enjoy a free baseball league. This is what PAL has done for me and my community.
